*"An entertaining way to reinforce a very important message to the children about e-safety and cyber-bullying. The class discussions following the performance were a testament to its positive impact." – Nicola Redden, Anti-bullying lead, Bridgewater Primary School, Northampton*

## YEAR 4 – Safe Internet/Anti-Cyberbullying play

It's Dotty's birthday and she's just got a shiny new iPad. But there's a problem. She's not being too safe online. She's posting personal information, chatting to strangers and making rude comments about school friends. When her behaviour results in her being pulled into the computer Dotty finds herself caught 'In the Net'. The clock is ticking and in order to get home she must go on a quest – a quest to find out how to be safer online. Along the way she's helped by a whole host of strange characters.

'In the Net' was developed by the creative team behind our hugely successful CSE awareness-raising play 'Chelsea's Choice', in association with Bridgewater Primary School in Northampton. It is ideal for **year 4 students**.

IN THE NET

**It covers:-**

- Safe Internet/Social Media Use
- Keeping personal information safe
- The effects of cyber-bullying on others
- What to do if you are being cyber-bullied
- What to do if you get that 'Oh Oh' feeling online
- What makes a 'healthy relationship'
- What to do if you have questions or concerns
